

## Ride Oklahoma Urban Assault Clue Sheet

April 11, 2009

Meet at Java Dave’s Coffee shop. One block west of I-235 on NE 10<sup>th</sup> Street, just north of Bricktown.  
Meet at 9:00 am.

Java Dave’s GPS Coordinates: N35.47782, W097.51166

Ride to each GPS waypoint and read the clue sheet. Try to answer the questions as best you can and write answers on this sheet. Remember, the goal of this ride is not speed, it is fun, so try taking back alleys, empty lots, and other unusual routes along the way. Discover unusual places you may have never seen in OKC. If you are the first to finish this ride you will just have to wait on everyone else, so slow down and have fun.

NOTE: Please obey all traffic and property laws. You are responsible for your own safety. Watch for cars, police, trucks, and other hazards. Be respectful of people’s property and their Sunday morning. Keep bike noise to a minimum and don’t rip big roosts in people’s and businesses yards. There will be PLENTY of undeveloped places you can roost, wheelie and have fun on this ride without doing it in someone’s yard!

Each normal question is worth 10 points. Bonus questions are worth 20 points.
